We will create a chronological or random photo video from your relationship timeline, 4k resolution drone video coverage add-on of your wedding day, and Getting Ready with Dej add-on. Dej, an experienced videographer on the G7 team, will follow the bride and groom, filming their wedding day, and make a personalized video for them to share on her social media accounts and any personal use within 48 hours.

(video will be 4-6 minutes) Your choice of music, 1 DVD, 1 flash drive.

Videographer wedding day attendance = 8 hours.

SUPER 8 Wedding Film - \$2,400

Super 8 film allows you a really different perspective from the usual. It's recorded on 8mm Kodak film and feels like a movie you're watching from the 70's or 80's with your family: classic, vintage, authentic, and raw. Your wedding film will be **4 minutes long**. If you'd like it to be longer, you may add on a Super 8 film cartridge (4 minutes per cartridge) for \$50. ***PLEASE NOTE:** Processing for 8mm is outsourced and takes between 5-7 weeks to get back digitally. You will also receive a roll stock and 1 DVD of your wedding to keep for memories.

**For more information please contact G7 for details for this unique videography!*

Videographer wedding day attendance = 6 hours.
